I think Jose is going to arrange for the computer program to scan my email and pull out relevant items. I expect to talk w/ him today about this.

Hello Leigh and Jeanne,

I was wondering how this request is progressing. When do you think it will be completed? Is there anything you can send my way now?

Thanks,
Jesse Coleman

Hi Jesse,

The action contacts for your cases are Leigh DeHaven and Jeanne Briskin. I know you've had communications with them about the requirements for your request and they would best be able to determine the status.

I'll copy them with this email so they are aware of your inquiry.

Abbie
